

Big Brothers Big Sister Program

Big Brothers Big Sisters offers an opportunity for a high school volunteer to be a mentor to a child grades 1st – 5th where they will meet with them once a week during school hours for about an hour. During the COVID crisis, Matches will meet using social media including zoom until school resumes to normal. Matches enjoy activities like reading, eating, playing games or just talking. Volunteers can help their Littles with homework and life skills or just be there to listen. For more information or to request an application, please contact Big Brothers Big Sisters San Miguel at 505.208.0431 or email: LouAnn.Romero@bbbsmountainregion.org for an application. BBBS is accepting the first 35 applications for the 2020/21 school year.
